**4th ENCLE Conference
27th and 28th October 2016
Faculty of Law, University of Valencia
Valencia (Spain)**

***“Clinical Legal Education and Access to Justice for all:
from asylum seekers to excluded communities”***

The European Network for Clinical Legal Education (ENCLE) will host its annual conference at the Faculty of Law, University of Valencia, Valencia (Spain). The conference aims to bring clinicians together from across Europe to discuss all aspects of teaching and learning, learn from each other and share best practices on how to improve the access to justice to, in particular, vulnerable persons, through clinical legal education.

Given the on-going influx of refugees in Europe and the fact, that more and more law clinics are focusing their work on the support to refugees and asylum seekers, ENCLE is particularly encouraging papers dealing with CLE and access to justice for refugees and asylum seekers.

The conference will include a range of sessions including workshops, paper presentations, plenaries and panel discussions. The sessions will be designed to encourage participation, stimulate discussion, share best practices and enhance the clinical movement across Europe.

The conference will be organized around the following themes:

- ***Clinics and refugees – how are refugees transforming CLE in Europe and how clinics react to influx of refugees?***
- ***Improving access to justice through legal clinics***
- ***Legal clinics and marginalized, excluded or vulnerable clients (communities)***
- ***The role of clinics in Higher Education***
- ***Teaching methodology***
- ***Legal professions and Clinical legal education***
- ***Clinical impact***
